

## ABSTRACT

Message (this project name) is a proprietary, cross-platform instant messaging application for smartphones. Moreover, to basic messaging Message users can send each text message. Now a days Apps and platforms that enable messaging, many of which started around social networking platforms, but many of which have now developed into broad platforms enabling stat usand updates, chatbots, payments and conversational commerce. Chat Application using Firebase is an Android based application developed on Android Studio using java as programing language would be of great help to the people for sending message very fastly or at instant. With this application-project. Using API such as Firebase, squireup(picasso, okhttp) make this project more real time for competitors. Firebase tools such as real-time database, analytics, etc authentication make this project powerful in terms of security, tracking users behavior and other stuff.

## **ACKNOWLEDGEMENT**

Any project is a task of great enormity and it cannot be accomplished by an individual without support and guidance. I am grateful to a number of individuals whose professional guidance and encouragement has made this project completion a reality.

I have a great pleasure in expressing my deep sense of gratitude to the founder **Chairman Dr. Mohan Manghnani** for having provided me with a great infrastructure and well-furnished labs.

I take this opportunity to express my profound gratitude to the ever supporting Principal **Dr.Manjunatha** for his constant support and management. I am grateful to **Dr.B Rajalakshmi**, Professor and Head, Computer Science and Engineering, New Horizon College of Engineering, Bangalore for his strong enforcement on perfection and quality during the course of my project work.

I would like to express my thanks to **Ms, Uma N, Sr. Associate Professor, Dept. of CSE**, New Horizon College of Engineering, Bangalore who has always guided me in detailed technical aspects during my project completion.

I would like to mention special thanks to all the **Teaching and Non-Teaching staff members of Computer Science Department**, New Horizon College of Engineering, Bangalore for their invaluable support and guidance.

**NAME: ARBIND SARAF**
